EXPERIENCE

Swadesh Softwares Pvt Ltd

June 2022 – Aug 2022

Frontend Developer Intern

Durgapur, India

- Built the frontend of an e-commerce web application, managing the full development lifecycle from design to production deployment, ensuring alignment with client requirements.
- Collaborated with stakeholders to translate business requirements into technical specifications, assisting in solution design.
- Ensured a responsive, mobile-friendly user interface using HTML, CSS, Bootstrap and Javascript enhancing the user experience across devices.
- Assisted in the implementation of IT solutions, ensuring smooth deployment and first-level technical troubleshooting for the application.

PROJECTS

Helping Hands | Javascript, Bootstrap, HTML, CSS

Nov 2024

- A user-friendly and secure donation website, providing a seamless experience for users and handling contributions to charitable causes.
- Acted as a bridge between stakeholders and the development team, gathering requirements and translating them into technical solutions.
- Increased donations by 40% within the first three months of launch.
- Managed documentation for technical specifications and implementation support during deployment.

Rasotan Cafe | Tailwind, Javascript, HTML, CSS

June 2024

- Developed a modern and user-friendly website for a local cafe named "Rasotan Cafe" aimed at enhancing online presence, showcasing menu offerings, and enabling online orders.
- Collaborated with the cafe owner to understand customer expectations.

Headline Hub | React.js, Javascript, HTML, CSS

Jan 2024

- Developed a dynamic and responsive news website designed to deliver the latest articles, breaking news, and multimedia content to users in real time.
- Implemented a responsive design with HTML and CSS, ensuring compatibility across all devices and screen sizes, enhancing user experience.
